Join the Comet Skippers for our favorite weekend! The Jump with the Stars workshop will teach all levels of jump roping skills, from the very basic to advanced. Children and adults are all welcome to attend. We will teach skills and routine development in single rope, Double Dutch, fusion, Chinese wheel, and long rope.

Staff: As we do each year, we will bring the brightest STARS from around the WORLD! The very best of the best will be HERE! We will host staff that includes World and National Champions from across the USA and around the globe.

ADDITIONAL OFFERINGS

Jump with the Stars ELITE Sunday Workshop:

When: Sunday, December 6, 2026
Where: Mason Elementary School
Time: 8:00am-12:00pm

This Elite Sunday Workshop will teach **advanced** jump rope skills. Jumpers **must be Level 3 or higher** and have their coach's recommendation to attend. The morning will include gymnastics instruction to assist jumpers with inserting tumbling tricks into their routines.

Coaches, please take into account the jumpers attention level/age when deciding who you recommend for this session.

Saturday Judge Training: We will be offering in person/live training in all judging disciplines.

If judges completed the online trainings within the IJRU learning portal last season, they will not have to complete those online courses again this season. There will be continuing education courses in the different disciplines that will be released throughout the year. If judges have not completed the online trainings at learn.ijru.sport, they should do that prior to attending the judges training.

All levels of judges are welcome at the training. Attending in person training is a great way to learn, refresh and discuss all things judge related.

If you are a trained judge and would like to become a judge clinician, please email Jessica Nicholson, jessican@ijru.sport. We are looking to add more judge trainers in the US.

Please register through the online registration form. Judge trainees will have a lunch break and should plan to purchase or bring your own lunch. The day will start with speed training beginning at 9am. After lunch, we will separate into presentation and technical judging in one group and difficulty judging in another group.

Take advantage of having some of the best trainers and get certified while your jumpers are learning and having fun!

Friday Evening Private Lessons: Don't miss your opportunity for private lessons with this world class staff! Join us on Friday evening to put some polish on your routines, enhance your musicality and stir up that creativity. Private lessons are one hour long and will be offered at 6:00, 7:00 and 8:00pm. You can sign up for individual, pairs, wheel, DD3, or DD4.

Lunch: Subway sandwiches can be ordered through the online registration forms through 11/26/26. Lunch will include 6" sandwich, chips, fruit, cookie and bottled water. We will also have pizza, snacks and drinks available for purchase at concession.

Event Merchandise: One t-shirt comes with the Saturday workshop registration fee. Additional t-shirts and white hoodie sweatshirts are available to pre-order on the registration forms through 11/13/26.
